JSU NEWS

It is no secret that Antisemitism is rapidly on the rise. It is for this reason, 5 leading Jewish communal organizations (JSU, JCC, WashU Hillel, JCRC and StandWithUs) have joined forces to present "Antisemitism 101" designed to educate and empower both teens and adults to respond to the antisemitism of today.

This 3-part series will empower you to recognize and address antisemitism in your community, high school and/or college campus and provide you with the resources to address these issues. Each week's session will be capped off with dinner. Following dinner, there will be a keynote session that will be open to the whole community. Classes will be held at the JCC on Schuetz Road.

Spaces are limited, so please RSVP now to become empowered in the fight against Antisemitism by [clicking here](#). Please see flyer for full details.
