NEW CLASS: Through Torah in Motion, Rabbi Shulman will be giving an ongoing online class: *Sefer Daniel: The Legacy of our Babylonian Experience*. Tuesdays, beginning this week, October 25th, 12:00 pm (St Louis time). Register at: <https://torahinmotion.org/programs/sefer-daniel-the-legacy-of-our-babylonian-experience>.

The book of Daniel explores the challenge of the Jewish community adapting to life in exile in Babylon in the first

generation after the exile began, under the spiritual leadership of Daniel and his friends. Famous stories such as Daniel in the Lion's Den sit alongside some of the most enigmatic and yet critically important prophecies about redemption and the anticipation of the Jewish people's return home. The book raises important questions for the nascent exiles, questions with a remarkably contemporary flavor, such as remaining religiously committed as a minority in a foreign and often culturally hostile environment, the nature of our relationship with G-d after the destruction of the Temple, the role of prayer and the origins of our prayer structure, and how to interpret visions and prophecies surrounding exact dates for the coming of the Messiah.

JSU/NCSY NEWS

It is no secret that Antisemitism is rapidly on the rise. It is for this reason, 5 leading Jewish communal organizations (JSU, JCC, WashU Hillel, JCRC and StandWithUs) have joined forces to present "Antisemitism 101" designed to educate and empower both teens and adults to respond to the antisemitism of today.

This 3-part series will empower you to recognize and address antisemitism in your community, high school and/or college campus and provide you with the resources to address these issues. Each week's session will be capped off with dinner. Following dinner, there will be a keynote session that will be open to the whole community. Classes will be held at the JCC on Schuetz Road. Spaces are limited, so please RSVP now to become empowered in the fight against Antisemitism by [clicking here](#). Please see flyer for full details.
