SHOPPERS

Go to: yistl.org/2017/shavuottakeout and bid on the item(s) you'd like.

Because this is an auction, placing an opening bid does not mean you'll automatically purchase the dish. ***Please check your e-mail periodically.***

Should someone increase the bid on your item, an e-mail will be sent automatically to the previous bidder letting them know they've been outbid, and giving them the opportunity to enter a higher bid.

The auction will end on TUESDAY, MAY 23rd at 10:00 pm

At the close of the auction, both chefs and winners are notified by e-mail and will make arrangements with each other for pick-up.

Payment can be made online or directly to the shul.

Proceeds will go towards the purchase of new Siddurim!
