**Shir Kedem** comes from Shilo (north of Jerusalem) and has 4 sisters and 2 brothers. She enjoys hanging out with her friends while playing guitar and singing (note, her name is Shir). Her favorite food is salad, but without salad dressing and she hates anything made of peanuts. Shir studied biology in high school and values her time with people of all ages, especially the company of children.

**Dassi Bar-Yuda** lives in Modi'in and has 2 brothers. She loves traveling with Israel, mainly in the north, but also meets friends in Jerusalem or at the Mediterranean sea. Dassi writes plays, short stories and scripts for ceremonies, etc. Her favorite food is Israeli 'chips' (called French Fries here) and she hates avocados and bananas.

**Ayelet Stern** was born in New York but her home is now Chashmonaim (near Modi'in - home of Dassi) and she has 4 brothers. She enjoys many different kinds of exercising (swimming, dancing, running and cardio/strength workouts). Ayelet is a certified lifeguard and also likes writing short stories. Her favorite foods are frozen yogurt and fruit - she hates hummus and techina.

**Our four Bnot Sherut are so excited to meet and get to know everyone in Saint Louis. They are most excited to be working with the teens and children of our community!**
